## Harvest Montana Fundraising Program

This document provides an overview and evaluation of the pilot Harvest Montana Fundraising Program with 4-H groups. This and other pilot projects of this fundraising program were organized by Montana Team Nutrition and the Office of Public Instruction School Nutrition Programs. The Harvest Montana Fundraiser 4-H Pilot Project Final Report was prepared by the Office of Public Instruction, Denise Juneau, Superintendent.

### Acknowledgments

A huge thank you is in order to Andrea Sarchet, Madison-Jefferson County Extension Agent, who organized the Harvest Montana Fundraiser for her 4-H program. The vendors, 4-H youth, and 4-H leaders who have participated in this fundraising program deserve a great deal of thanks for making this program a reality. The feedback collected from these groups was very helpful in refining and improving the program.
